

Come Home to Tranquility

Susan M Boyce

You live life to its fullest. You embrace each moment, savouring the quiet times as much as you celebrate the grand occasions. Naturally, your home must reflect your unique outlook while creating a tranquil, personal oasis.

Welcome to Allure, an exclusive enclave of South Surrey townhomes brought to you by Weststone Properties.

The Essence of Serenity

"Allure is all about coming home to a place of tranquility and serenity," says director of marketing Michelle Mackay. "It's meticulous attention to detail that makes the difference and truly sets Allure apart."

She talks about the gourmet kitchens' fine quartz countertops, top-of-the-line stainless steel appliances, and generous storage — all designed to warm the heart of even the most discerning chef. Main living level flooring, she explains, is engineered hardwood for the perfect combination of good looks, durability, and environmental responsibility. And whether you choose to spend it snuggling with your sweetheart or curled up with the latest best seller, even the chilliest winter evenings are sure to be cozy and warm in front of your energy efficient gas fireplace with custom tile detailing.

When it's time for a private mini-vacation, Allure's luxuriously appointed ensuites are sure to satisfy with limestone countertops, soaker tubs, and secluded vanity areas. Even showers sparkle with personality from a stylish pebble stone floor and sophisticated Paini Cox

shower fixture. As convenient for entertaining as day-to-day living, there's also a main floor powder room resplendent with contemporary above counter vessel sink and gleaming, urban chic fixtures.

Celebrating Your Neighbourhood

"This is such a wonderfully convenient neighbourhood," Michelle says. "You're half way between Southpoint Shopping Centre and Peninsula Village, it's only five minutes to Crescent Beach or the US border, and the freeway to Vancouver is just down the road. But you still have a sense of seclusion and exclusivity."

When you're ready to explore, your toughest decision will likely be which activity

to pursue first. Perhaps golf at one of the more than half a dozen nearby greens? Maybe it's time to indulge in an evening of fine dining as the sun sets over the White Rock beach promenade. Of course, you could always lace up your walking shoes and explore the charms of Serpentine Fen or deck yourself out in evening finery and check out the latest theatrical offerings from the White Rock Playhouse, Bell Centre, or Surrey Art Centre.
